

Important Notice Selling Process via Fax

- ☞ You can sell subscriptions of the Tsunami Alarm System either with the **one-page subscription form** or the **merchant web interface** ("the order").
- ☞ A copy of the order including the terms of use is **for the customer**.
- ☞ Please accept the payment from the customer and fill in the grey fields in the order form.
- ☞ Afterwards you will have to fax the order form **immediately to A3M Inc.**
- ☞ **Please note:** You will find a short description about how to fill in the subscription-form on the last page.
- ☞ **Important:** Please make sure that you **fax us the subscription-form immediately and that you have filled in your Merchant-ID**. Otherwise we cannot activate the Tsunami Alarm System and all liabilities imposed by the customer in connection with the non-functioning of the alarm system will rest with YOU.

Important Notice for your Customer

- ☞ By subscribing to the Tsunami Alarm System your Customer will receive alarms about sea-quakes, if these reach the critical features for the formation of a tsunami.
- ☞ Your Customer will receive these life-saving alarms reliably and timeously on their mobile telephone anywhere in the world.
- ☞ All your Customer needs to do is to take his or her mobile phone with them when at the sea and ensure it is always on and logged on to the GSM network.
